PROGRAM OBJECTIVE

The Capital Development (CAP) Grant Program provides funding assistance for capital improvement projects that are designed to expand, renovate, construct, or equip cultural arts facilities located within Miami-Dade County. The Department of Cultural Affairs encourages applications from organizations whose growth depends on access to and control of adequate facilities for optimum implementation of programs. These capital projects assist the nonprofit cultural community in providing increased public service, greater access, enhanced exhibition or performing space and in developing cultural facilities that can be operated more effectively and efficiently. All programs must be accessible and promoted to the general public. Grants are awarded on an extremely competitive basis based on panel evaluation. There is no guarantee that your proposal will be recommended for funding.

Projects must have strong evidence of prior planning and an imminent completion or “readiness” factor. Applicants must demonstrate that they have secured the maximum possible public and/or private match. **Priority consideration will be given to organizations that submit applications for projects to implement improvements as mandated by the Americans with Disabilities (ADA) Act and the Florida Accessibility Code, Chapter 11 of the Florida Building Code.** For more information on the Americans with Disabilities Act, including a helpful list of resources, please visit <http://www.miamidade.gov/internalservices/ada-helpful-links.asp>.

Facility improvement projects should be designed to improve the artistic capabilities of and/or the audience ability to experience programs in the applicant facilities. Grants are intended to have a major impact on the applicant, the patrons served by that organization and the surrounding community.

In the interest of ensuring that cultural organizations have the resources to adequately plan for their capital needs, the Capital Development Grant Program may consider requests for facilities planning and feasibility studies on a case-by-case basis.

In addition, applicants must demonstrate that the proposed project:

- Supports existing, measurable program accomplishments of the applicant organization and is responsive to a well-documented need;
- Will significantly increase the capacity, effectiveness, efficiency, quality and/or success of the organization making the request;
- Has significant and identifiable benefits for the organization, its patrons and the community;
- Is thoroughly planned, both programmatically and architecturally, with a high degree of certainty that the proposed facility will meet current and projected needs;
- Is accompanied by reliable cost estimates and that design, technology, and costs are well-researched and reflective of current market conditions;
- Has a clear and feasible plan for being completed on time and/or before the end of the County’s fiscal year in which the grant will be awarded (by September 30th);
- Is supported by a well-developed staffing and management plan for operating the facility when the project is completed; and

- Demonstrates the potential for significant long-range community and economic impact through arts and cultural initiatives.

A CAPITAL DEVELOPMENT GRANT CARRIES NO COMMITMENT FOR FUTURE SUPPORT BEYOND THE TIME OF THE PROGRAM OR PROJECT.

ELIGIBILITY

Applicants must meet all the following eligibility requirements:

- **not** be a religious organization whose proposed project, in whole or in part, is designed to promote religious or sectarian activities or to encourage the preference of a religion;
- **Have site control of the proposed facility** (located in Miami-Dade County) either through ownership or having an executed long-term lease with an **unexpired, 5-year minimum term** (the lease must be in the non-profit's name). **Proof of site control is required at the time of application and in order to qualify under the program's eligibility requirements (there are no exceptions to this rule);**

DEADLINES

For application and deadline schedule information, go to the Capital Development (CAP) Grants Program information page at:

<http://www.miamidadearts.org/capital-development-cap-grants-program>

Application Deadline:

Organizations are encouraged to complete the online application process at least 72 hours in advance of the application deadline to ensure successful submittal. At precisely 11:59 PM on the deadline date, the online grant system will automatically close the application system. Organizations that fail to complete the submittal process by this deadline will be locked out of the system and deemed ineligible. Applications submitted by any other means are not acceptable.

Corrections Deadline:

Application corrections requested by the program administrator will be issued approximately 7 days prior to the corrected/final application deadline. Organizations are encouraged to complete their corrections at least 72 hours in advance to ensure successful submittal. At precisely 4:00 PM on the corrections deadline, the online grant system will automatically close the application system for corrections.

APPLICATION INSTRUCTIONS

The CAP Grants Program is utilizing an online application process through the Department's website. Please visit www.miamidadearts.org and click on the GRANTS / SURVEY MONKEY APPLY (SMA) tab to access the online grants system.

Pre-Grant Submission Consultation:

All returning CAP applicants are REQUIRED to schedule a mandatory consultation *at least one week* prior to the application deadline, either by phone or in person, with the CAP Program Administrator before access will be granted to the online application.

In addition, if you are a first-time applicant and/or a new staff member who is unfamiliar with the online grants system, your consultation appointment must be in person and will require additional time to cover the SMA system basics.

There are no exceptions to these requirements.

To schedule your consultation, contact Kelly Allocco at 305-375-4636 or via email at kelly.allocco@miamidade.gov.

Application Process:

To apply, applicant organizations must complete all of the tasks associated with the grant application via *SurveyMonkey Apply*. Make sure to allow sufficient time to complete each task to ensure compliance with the program's requirements.

Before you are able to access the grant application form, you must have a user account for basic log-in access and complete and submit a *Grant Eligibility and Request Form*. Once you have completed these steps, your *Grant Eligibility and Request Form* will be reviewed by the Program Administrator to determine whether or not your organization is eligible to apply for the requested grant. This review may take up to 3 business days. Only after the Program Administrator has confirmed your eligibility can you be provided access to the grant application form. It is critical to keep these steps and this timeline in mind when preparing to submit a grant online.

Requesting access to the grant application less than 7 business days prior to an upcoming deadline is neither an adequate timeframe for successful completion nor a reasonable expectation of staff.

Applicants are solely responsible for the content of their application packages. The application submission review conducted by Department staff is provided as a courtesy technical assistance service and in no way guarantees that an application will be recommended for funding by the grants review panel. Department staff will not make corrections on behalf of applicants.

NOTE: An organization that submits a substantially incomplete application at the time of deadline, as deemed by the program administrator and the Department Director, will receive notification via email and/or US mail from the Department Director as to the incomplete status of the application. A copy of this letter will be forwarded to the program panel prior to their review, alerting panelists to the status of the application at time of deadline.

If you have questions or require assistance accessing the online application, contact Kelly Allocco at 305-375-4636 or via email at kelly.allocco@miamidade.gov.

FUNDING REQUEST CAPS

Applicants may request up to **\$30,000**. However, the minimum request that can be considered is **\$5,000**.

The CAP Grants Program operates on a reimbursement basis. Payment of grant funds will be made only after submission of proper documentation demonstrating evidence of project expenditures, including match.

MATCHING FUNDS

Applicants must furnish a minimum **\$1 to \$1 match** from the municipality or jurisdiction in which the facility is located and/or from the applicant organization to be eligible for County grant funds. A funding mix that includes foundation and corporate support, other government support, private contributions and earned income is desirable. The matching terms of the CAP Grants Program are designed to act as a catalyst to assist organizations in obtaining increased levels of local government (e.g., municipal) support and applicant organization funds.

All grant and matching funds involved in construction projects supported through the CAP Grants Program are subject to compliance with provisions of applicable laws, regulations and rules. **The CAP Grants Program shall not be considered the sole source of funding.** Applicants should thoroughly explore other funding sources prior to seeking support from this program.

Letters of commitment of matching funds from municipality, other local, state and federal sources; foundations; and/or from organization's Board Chairperson or his/her designee are **REQUIRED** attachments.

Applicants that can demonstrate that they have secured the maximum public and/or private match and can demonstrate strong evidence of prior planning and imminent completion or "readiness" factor are given priority consideration by the panel.

Note: In-kind donations, salaries for administration and/or any other indirect costs may not be assigned to, charged against or debited from County grant funds and cannot be included as project expenses for the Capital Development Grants Program.

GRANT PAYMENTS

If awarded, funds will be paid to grantees after the Clerk of the Board certifies and confirms the Miami-Dade County Budget Ordinance, and grant award contracts are fully and duly executed.

The CAP Grants Program operates on a reimbursement basis. Payment of grant funds will be made only after submission of proper documentation demonstrating evidence of project expenditures, including match. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and canceled checks (front and rear) clearly designating payment for expenses associated with the project. Cash transactions are not acceptable unless a copy of a contract, invoice, receipt and/or other documentation, such as an

affidavit, supporting such cash payment is received, marked "paid" and signed by the recipient of the cash.

A CAP GRANT CARRIES NO COMMITMENT FOR CONTINUED, RENEWED OR FUTURE SUPPORT BEYOND THE FISCAL YEAR IN WHICH THE GRANT IS AWARDED.

ALLOWABLE GRANT EXPENDITURES

CAP Grant Program funds must be used exclusively for the project described in the organization's application. Allowable grant expenditures include:

- ✓ Expansion, renovation, rehabilitation or construction of a cultural facility (direct construction costs related to building, adaptive re-use or renovations, including materials, demolition, excavation, site preparation, construction expenses, etc. and related fixed capital costs)
- ✓ Professional costs related to architectural or engineering designs
- ✓ Feasibility studies related to CAP objectives, such as those that examine approaches for the development of new cultural facilities or the renovation of existing ones (feasibility studies may be considered on a case-by-case basis)
- ✓ Specialized equipment purchases, as well as their installation costs, directly related to the creation, production and/or presentation function of the organization, provided that these are fully integrated (not free-standing) elements of a building or construction project. Examples for creation, production and/or presentation purposes include:
 - Equipment and/or construction projects directly related to ADA compliance and related work (e.g., assistive listening devices, ADA signage in venue, elevator or wheelchair lift, accessible bathrooms, etc.) as mandated by the Americans with Disabilities Act and the Florida Accessibility Code Chapter 11 of the Florida Building Code.
 - **NOTE:** ADA-related proposals receive priority consideration by the CAP Panel. Funded proposals that include ADA-related improvements and/or equipment will be required to prioritize the ADA-related projects when entering into a grant agreement with Miami-Dade County.

EVALUATION CRITERIA

Grants are awarded on a highly competitive basis to eligible organizations. It is the mandate and responsibility of the Capital Development Grants Panel to evaluate all proposals to meet the objective of the program, based on the criteria below. Panel reviewers are looking for well-planned capital projects that meet a pressing need, display broad support, will be completed promptly and, once done, are managed successfully. Further, the panel has an interest in the mission and principal activities of the applicant organization, the exact plan for how the County's money (and its requisite match) shall be utilized in the proposed project, and the applicant's ability and "readiness" to administer and complete the process. While these grants support capital expenses only, the panel's review includes a thorough evaluation of the programmatic, administrative, financial and organizational accomplishments of the applicant.

In addition to meeting all of the technical requirements of the application, the panel will evaluate and score eligible applicants using the following criteria (100 points max.):

1) Project Proposal (20 POINTS) as demonstrated by:

- Merit and feasibility of the project being proposed and how it relates to the goals of the Capital Development Program;
- Impact of project on the artistic capability of the facility and audience ability to experience programs in the facility;
- Potential to build audiences and support for the arts and serve as a catalyst for economic development and neighborhood revitalization; and
- Impact on organization's capacity, effectiveness, efficiency, quality and/or success.

2) Management/Administrative Capability (20 POINTS) as demonstrated by:

- Facility/equipment management plan including: brief bios of staff and responsibilities pertaining to the project, policies and plans regarding facility/equipment use and accessibility to the general public and other cultural organizations;
- Financial stability of the organization;
- Administration of previous Department of Cultural Affairs grants, including timely submission of final reports for applicants who have received previous Department funding;
- Ability of the organization to successfully operate and maintain the facility; and
- Ability to complete project within a realistic and reasonable timeframe within the year in which the grant will be awarded.

3) Improved Facility Capabilities (20 POINTS) as demonstrated by:

- Efforts to comply with the Americans with Disabilities Act (ADA) and the Florida Accessibility Code Chapter 11 of the Florida Building Code for projects to implement improvements in programs and/or facility modifications;
- Quality of equipment and/or facility improvements being proposed; and
- Frequency of equipment and/or facility use.

4) Appropriateness of Grant Request (20 POINTS) as demonstrated by:

- Feasibility and appropriateness of budget and commitment and size of public and private match;
- Project description, objectives and goals;
- Relevance of the project vis-a-vis the organization's current and future capital improvement plans; and
- Financial resources in hand or a fundraising plan adequate to support the project.

5) Merit of Programming/Marketing Plan (20 POINTS) as demonstrated by:

- Reputation and history of the organization and its programs;
- Feasibility of marketing plan as it pertains to budget and placement;
- Cultural needs and audiences project will serve and efforts leading to long-term cultural enrichment of area served; and
- Ability to increase and enhance audience participation in the arts.

SITE VISITS AND PANEL PRESENTATIONS

As part of the panel evaluation process, **panelists are required to conduct site visits and will be directly assigned to visit one or more applicant facilities.** Applicant organizations will be contacted directly by the panelist(s) to arrange a site visit to occur prior to the panel evaluation meeting. Note: any member of the CAP Panel may choose to conduct a site visit in relation to your application, even if they have not been directly assigned your organization's site visit. A list of panel members will be provided in advance of the panel evaluation meeting. Also note: due to the Sunshine Law, panelists should not attend site visits together. In addition, Department staff, including the CAP Grant Program administrator, may conduct a site visit prior to the panel meeting and/or funding period in relation to the organization's project and cultural programming.

Applicants are **strongly encouraged** to attend the panel evaluation meeting as observers, and will be notified by email of its scheduled time, date and location. Although formal presentations by applicants are not permitted during the panel meeting, applicants will be provided an opportunity to address direct questions posed by panelists, address outstanding issues raised by the panel and/or help clarify points during the panel discussion.

Applicants are not permitted to interact with panelists at any other time during the proceedings or during panel breaks. Presentations or involvement of any kind by an applicant, other than the above noted exception, may result in the disqualification of the application by the program panel and/or the withdrawal of the application by Department staff.

If the grant agreement due date falls on a Saturday, Sunday or legal holiday, the grant agreements will be due the following business day.

GRANT PAYMENT

- ◆ The CAP Grant Program operates on a reimbursement basis. Payment of grant funds will be made only after submission of proper documentation demonstrating evidence of project

expenditures, including match. Documentation shall include, but not be limited to, copies of original bills, invoices, vouchers, receipts, and canceled checks (front and rear) clearly designating payment for expenses associated with the project. Cash transactions are not acceptable unless a copy of a contract, invoice, receipt and/or other documentation, such as an affidavit, supporting such cash payment is received, marked "paid" and signed by the recipient of the cash.

Once documentation has been reviewed by the program administrator, a request for payment will be sent to the Finance Department. The grant award check is prepared and mailed directly from the Finance Department to the grantee at the address on record in the Finance Department. It is imperative that grantees notify Cultural Affairs staff AND the Finance Department of any address changes during this process. Grantees **may not** request pickup of checks.

Alternatively, grantees may sign up for Automatic Deposit of County funds directly into the organization's bank account. This is the fastest way to receive County funds once the request for payment has been processed by Finance. The Automatic Deposit sign up form and instructions can be downloaded at <http://www.miamidade.gov/finance/direct-deposit.asp>. It is critically important to follow the instructions for Direct Deposit carefully, and to keep your account information current at all times with the County's Finance Department. Grant payments are anticipated to be released beginning in December of the fiscal year for which the grant was awarded. Grantees can review payment status via the Miami-Dade County Department of Finance Vendor Payment Inquiry website: https://was8exp.miamidade.gov/VInvoice/1_0a_vendor_login.jsp

CAP grants will be released after reimbursement documentation has been received, reviewed and approved by the grant program's administrator.

NOTE: GRANT AWARDS WILL BE AVAILABLE FOR RELEASE DURING THE COUNTY'S FISCAL YEAR FOR WHICH THE GRANT WAS AWARDED, OCTOBER 1 THROUGH SEPTEMBER 30. DUE TO THE STRICT CONSTRAINTS ACCOMPANYING EACH STEP OF THIS REVIEW PROCESS, IT IS CRITICAL THAT THE APPLICANT ADHERE TO ALL DEADLINES. FAILURE TO COMPLY WITH DEADLINES AND/OR INCORRECT EXECUTION OF CONTRACTS OR OTHER PAPERWORK WILL RESULT IN A DELAY OF PAYMENT OR CANCELLATION OF FUNDING.

PUBLICITY AND CREDIT REQUIREMENTS

The Grantee must include the following credit line in all promotional and marketing materials related to this grant including websites, news and press releases, public service announcements, broadcast media, event programs, and publications: **"With the support of the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and Board of County Commissioners."** For radio or television broadcast, we require the following voice-over language: **"This program is supported in part by the Miami-Dade County Department of Cultural Affairs."** For television broadcast, display of the County logo and the "www.miamidadearts.org" web address is required. To download an electronic version of The Children's Trust logo, please go to: The Children's Trust Media Kit & Logos.

COMPLIANCE REQUIREMENTS AND RELEASE OF GRANT FUNDS

A Final Report is required within forty-five (45) days of the project completion date. Information on completing the final report can be found on the Department of Cultural Affairs website at: <http://www.miamidadearts.org/grant-reporting-documents>.

Funded activities must take place within the County's fiscal year for which they are approved (October 1 through September 30). All funding recommendations are contingent upon approval of the Department of Cultural Affairs' budget by the Miami-Dade County Mayor and Board of County Commissioners, and are subject to the availability of funds.
