about us

Miami-Dade County's Board of County Commissioners and Mayor are committed to making the arts and cultural activities accessible and available to all members of our community. This edition of the Golden Ticket Senior Arts Guide lists hundreds of free cultural offerings featuring our incredible museums and gardens, music, theater, and dance. In partnership with our local non-profit arts community, we are dedicated to providing senior residents, 62 and over, exciting arts opportunities at no charge, every day from now through October 31, 2024.

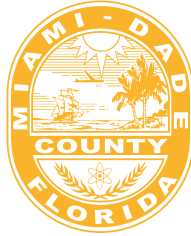

The Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council develop cultural excellence, diversity, access, and participation throughout Miami-Dade County by strategically creating and promoting equitable opportunities for artists and cultural organizations, and our residents and visitors who are their audiences. Through staff, board and programmatic resources, the Department, the Council, and the Trust promote, coordinate, and support Miami-Dade County's more than 1,000 not-for-profit cultural organizations as well as thousands of resident artists through grants, technical assistance, public information, and interactive community planning. The Department directs the Art in Public Places program and serves its board, the Art in Public Places Trust, commissioning, curating, maintaining, and promoting the County's art collection. The Department also manages, programs, and operates the African Heritage Cultural Arts Center, Dennis C. Moss Cultural Arts Center, Joseph Caleb Auditorium and Miami-Dade County Auditorium, all dedicated to presenting and supporting excellence in the arts for the entire community.

The Department receives funding through the Miami-Dade County Mayor and Board of County Commissioners, The Children's Trust,

the National Endowment for the Arts, the State of Florida through the Florida Department of State, Florida Division of Arts and Culture and the Florida Council on Arts and Culture, the John S. and James L. Knight Foundation, the Peacock Foundation, Inc. and The Jorge M. Pérez Family Foundation at The Miami Foundation and the Taft Foundation. Other support and services are provided by TicketWeb for the Culture Shock Miami program, the Greater Miami Convention and Visitors Bureau, the South Florida Cultural Consortium, and the Tourist Development Council.

MAYOR

MIAMI-DADE COUNTY

Dear Golden Ticket Holders,

As Mayor of Miami-Dade County, it is my pleasure to offer participants in the Golden Ticket program for older adults free access to wonderful cultural experiences throughout our county. One of my priorities as mayor is to build a stronger and more inclusive Miami-Dade. The arts play an important role in connecting us all, reflecting our shared commitment to supporting individuals in all stages of life.

I am enormously proud to present the 2024 Golden Ticket Arts Guide, which provides our senior residents with free admission to more than 250 cultural offerings throughout Miami-Dade County. The Guide, produced by the Miami-Dade County Department of Cultural Affairs, connects older adults with cultural activities in a convenient and accessible way. This bilingual Golden Ticket Arts Guide, printed in English and Spanish with large print, invites all the seniors in our county to enjoy great arts experiences and live healthy, engaged, and active lives.

This year's Golden Ticket Arts Guide includes free admission to our top theaters, museums, and gardens, as well as to some of our most popular outdoor festivals and music events. I encourage you to visit www.miamidadearts.org for new event listings added throughout the year.

Enjoy the Golden Ticket Arts Guide!
