Sensory Friendly Access

Join us for our next Sensory Saturday Event!

2014 Dates

February 8th • March 8th • April 12th
May 10th • June 14th • July 12th

On one Saturday of every month from 9:00 - 11:00am, Miami Children's Museum will be hosting an inclusive accessibility event. Sensory Saturday will be open to children with special needs, their families, and friends. Children will be able to explore and enjoy the Museum in an accessible, educational, and supportive environment. Families will be able to interact and network with each other and learn about the available resources in our community. Pre-visit material, such as an illustrated storybook of the Museum, will be available for children and families to familiarize themselves with the Museum and structure their visit according to their child's needs.

The Museum will be adjusted to a sensory friendly environment with modified lighting and sound, and "cool down" rooms will be available for children to relax in. Special programming for this event includes yoga, art, music therapy, and more. Admission to this event is at a reduced rate and requires pre-registration.

Admission to this event is at a reduced rate and attendance is limited. RSVP is required. For more information or to RSVP please e-mail sensorysaturday@miamichildrensmuseum.org or call 305.373.KIDS (5437).
