PROGRAM OBJECTIVE

Since 2006, The Children's Trust has provided annual funding support to the Miami-Dade County Department of Cultural Affairs and has awarded over \$16 million in grants to expand cultural arts programs for children and youth in Miami-Dade County. This generous funding provided by The Children's Trust has enabled the Department to greatly expand cultural arts programs for children and youth in Miami-Dade County, by creating a comprehensive array of grants programs for non-profit youth arts providers. By combining resources and efforts this way, The Children's Trust and the Department are able to coordinate and advance our shared goals of strengthening families and seeking ways for all children to achieve their fullest potentials.

This innovative funding partnership is enabling the Department of Cultural Affairs to elevate its level of support to cultural groups dedicated to year-round arts programs for kids; support more opportunities for kids and their families to experience the arts together, in places convenient to their homes and schools; provide summer arts and science camp scholarships for kids who otherwise would not have the opportunity to participate in such programs; give thousands of children the chance to participate in arts experiences in their schools, after care programs and in their neighborhood art centers; and inaugurate new inclusive arts programs for children with disabilities.

The Youth Arts Enrichment Program (YEP) was created as a joint initiative of the Miami-Dade County Department of Cultural Affairs and The Children's Trust. The YEP Grants Program is funded by The Children's Trust. The Children's Trust is a dedicated source of revenue established by voter referendum to improve the lives of children and families in Miami-Dade County by making strategic investments in their future.

The objective of the YEP Grants Program is to enrich the lives of children through the arts by making the arts available to more children and families throughout Miami-Dade County, whereby, children will have opportunities to have positive live arts experiences through:

- Arts Instruction
- Arts Intervention
- Healing/Expressive Arts
- In-school Arts Residencies and Performances
- Out-of-School/Public Arts Exhibitions and Performances

This program provides project-based funding to non-profit organizations to underwrite the costs of producing high quality, enriching live arts activities in these areas.

Priority attention will be given to:

- registration-based projects that provide children and youth the opportunity for ongoing/long-term direct participation in the arts with demonstrated measurable outcomes;

- projects that provide children and youth the opportunity to participate in exceptional, innovative and transformative live arts experiences not otherwise available to them; and
- projects that serve children, youth and young adults with disabilities through inclusive arts and cultural programs so that kids of all abilities and their families can participate fully in the arts.

ELIGIBILITY

To be eligible to apply, an organization must:

- be legally incorporated in the State of Florida as NOT-FOR-PROFIT, with designated tax-exempt status under section 501(c)(3) of the United States Internal Revenue Code. Applications from not-for-profit organizations designated tax-exempt under other subsections of 501(c) will be reviewed on a case-by-case basis. Proof of incorporation and IRS tax-exempt designation is required at the time of application; or
- a political subdivision of Miami-Dade County or one of its municipalities, to be considered and determined on a case-by-case basis, provided that the organization provides services, cultural programs and open access to the community and the general public on a regular basis; or
- qualify as a public or private institution of higher education, provided that the organization provides services, cultural programs and open access to the community and the general public beyond their educational mission and on a regular basis;
 - may qualify as a public or private institution of higher education, if all the following criteria are met:
 - its primary mission is to the creation, performance, exhibition and/or presentation of a year-round season of public cultural programming not related to degree-granting programs;
 - the program is overseen by a community-based board of directors or advisory board that meets regularly; and
 - the public at-large is the primary target audience and direct beneficiary of the program.
- be the project “owner/presenter” directly responsible for managing, overseeing and implementing ALL administrative aspects of the proposed project, including but not limited to: data collection, reporting, scheduling, program design, production, implementation, contracting for artists/services, etc.;
- have a minimum one-year track record of producing high quality, cultural arts programs for children and/or youth in Miami-Dade County;
- **not** be a fiscal agent applying on behalf of another entity;
- **not** be a religious organization whose proposed project, in whole or in part, is designed to promote religious or sectarian activities or to encourage the preference of a particular religion.

- **not** be an educational organization or facility (such as a daycare/preschool, school, college or university, other than university-operated cultural institutions as defined above, that provide services, cultural programs and open access to the community and the general public beyond their educational mission and on a regular basis.

Funded programs must be geographically located in Miami-Dade County. Grant funds may not be used to underwrite scholarships for children/youth who reside outside of Miami-Dade County. Applications from fiscal agents will **not** be accepted.

Organizations receiving funding through the Youth Arts Miami (YAM) Grants Program are not eligible to apply.

Organizations currently being funded through other Department of Cultural Affairs grants programs must demonstrate that the proposed project is in addition to the organization's current activities, beyond its typical outreach activities and programming. YEP grant dollars cannot be used to supplement or supplant other Department of Cultural Affairs grant funds. Proposed projects must be separate and apart from the organization's youth arts education and outreach programs as described in its other Department of Cultural Affairs grants.

This program operates on an annual cycle, and applications are available and considered only once for each program-funding period (October 1 – May 31). Successful applicants to the YEP Grants Program may not receive funding in the same funding year for the same project from any other Department program or directly from The Children's Trust.

GRANTEES ARE ADVISED THAT THE DEPARTMENT AND THE CHILDREN'S TRUST ARE WORKING IN CAREFUL COORDINATION with each other to ensure that projects that ultimately receive funding from both granting organizations do not use grant dollars for the same project.

DEADLINES

For application and deadline schedule information, go to the Youth Arts Enrichment Program (YEP) grant information web page at:

<http://www.miamidadearts.org/youth-arts-enrichment-yep-grants-program>

Application Deadline:

Applicants are strongly encouraged to complete the application process at least 3 business days in advance of the application deadline to ensure successful submittal. At precisely 11:59 PM on the deadline date the online grant system will close access to the application. Organizations that fail to complete the entire two-step submittal process by this deadline will be locked out of the system and deemed ineligible. Applications submitted by any other means are not acceptable.

Please be aware that BEFORE you are able to access the grant application stage, you must have a user account for basic log-in access and complete and submit a *Grant Eligibility and Request Form*. Once you have completed these steps, your *Grant Eligibility and Request Form* will be reviewed by the Program Administrator to determine whether or not your organization is eligible to apply for the requested grant. This review may take up to 3 – 5 business days. Only after the Program Administrator has confirmed your eligibility can you be provided access to the grant application stage. It is critical to keep these steps and this timeline in mind when preparing to submit a grant online.

Requesting access to the grant application less than 7 business days prior to an upcoming deadline is neither an adequate timeframe for successful completion nor a reasonable expectation of staff.

Requests to apply to this program received at or after 5:00 PM on the program's final application deadline day will not be accepted.

First-Time Applicants: Program Administrator Review:

Applications received from first-time applicants by the grant program's published application deadline will be reviewed by the Program Administrator. Feedback and suggestions for strengthening and/or correcting the application will be provided approximately 7 days prior to the corrected/final application deadline. Applicants are solely responsible for making any and all revisions to their applications, should they so choose. Department staff **WILL NOT** make corrections on behalf of applicants. Applicants are encouraged to complete their corrections at least 3 business days in advance of the corrected/final application deadline to ensure successful submittal. At precisely 11:59 PM on the corrections deadline date, the online grant system will close access to the application for corrections.

Returning Applicants: Program Administrator Courtesy Review (Optional):

Prior applicants to the program have the option to submit a completed application, including **all** required support materials, **no later than 11:59 PM one full calendar week in advance of the grant program's published application deadline** for a thorough "Courtesy Review" by the Program Administrator. Staff will read and review narratives, uploads and other sections of the application and provide feedback, comments and/or questions related to the proposal. Applicants who submit in time for a Courtesy Review will have the opportunity to finalize their applications during the program's corrections period and are **solely responsible** for making any and all revisions to their applications by the program's corrections deadline date, should they so choose. Department staff **WILL NOT** make corrections on behalf of applicants. The Courtesy Review process is a service and in no way guarantees that an application will be recommended for funding by the grants review panel.

Applications submitted for Courtesy Review that are in DRAFT form, have incomplete narrative or budget sections and/or are missing required support documents, will NOT be eligible for a Courtesy Review.

Applicants who waive their option for a Courtesy Review and submit their applications by the grant program's published application deadline will receive a technical sufficiency review **only** (i.e. staff will check the forms to ensure the grant program's minimum eligibility criteria has been met and all required documents have been submitted; narratives, uploads and other sections of the application will NOT be read and reviewed). Comments, questions and feedback will **NOT** be provided to the applicant during the program's corrections period. Applicants who waive their option for a Courtesy Review will have the opportunity to finalize their application during the program's corrections period and submit by the grant program's corrections deadline date. **Applicants whose submission does not meet minimum technical qualifications will be notified and their application will NOT be eligible for further consideration.**

First-time and returning applicants who submit a substantially incomplete application at the time of the grant program's published application deadline, as deemed by the Program Administrator and the Department Director, will receive notification via email and/or US mail from the Department Director as to the incomplete status of the application. A copy of this notice will be forwarded to the program panel prior to their review, alerting panelists to the status of the application at time of deadline.

Corrections Deadline:

Application corrections suggested by the Program Administrator will be issued approximately 7 days prior to the corrected/final application deadline. Organizations are encouraged to complete their corrections at least 3 business days in advance of the corrected/final application deadline to ensure successful submittal. At precisely 11:59 PM on the corrections deadline date, the online grant system will automatically close the application system for corrections.

The Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council develop cultural excellence, diversity and participation throughout Miami-Dade County by strategically creating and promoting opportunities for artists and cultural organizations, and our residents and visitors who are their audiences. The Department directs the Art in Public Places program and serves its board, the Art in Public Places Trust, commissioning, curating, maintaining and promoting the County's award-winning public art collection. The Department also manages, programs and operates the South Miami-Dade Cultural Arts Center, a campus of state-of-the-art cultural facilities in Cutler Bay, as well as Miami-Dade County Auditorium, Joseph Caleb Auditorium and the African Heritage Cultural Arts Center, all dedicated to presenting and supporting excellence in the arts for the entire community. Through staff, board and programmatic resources, the Department, the Council and the Trust promote, coordinate and support Miami-Dade County's more than 1,000 not-for-profit cultural organizations as well as thousands of resident artists through grants, technical assistance, public information and interactive community planning. The Department receives funding through the Miami-Dade County Mayor and Board of County Commissioners, The Children's Trust, the National Endowment for the Arts, the State of Florida through the Florida Department of State, Division of Cultural Affairs and the Florida Council on Arts and Culture, and the John S. and James L.
