Zot Artz

Art Tools Lending Program

The Zot Artz art tools, created by acclaimed artist and inventor Dwayne Szot, are one-of-a-kind products that offer individuals of all abilities an opportunity for creative expression through arts and mobility.

The Zot Artz tools are designed so participants with limited movement or lack of fine motor skills can be successful in using what mobility they have to create, paint, draw, print and more. Individuals of all abilities can roll out paint and draw with chalk - all while working on mobility skills and coordination through creative expression.

Miami-Dade County Parks, Recreation and Open Spaces Disability Services makes the Zot Artz art tools available for use by community providers through the All Kids Included Zot Artz art tools lending program. Arts organizations, educators and community service providers wishing to borrow the Zot Artz - Arts for All art tools must complete the [Zot Artz Loaning Policy](#) and [Zot Artz Refund Request](#) forms. Download the forms at: <https://www.miamidadearts.org/education/zot-artz-arts-all>

All Kids Included (AKI) promotes inclusive arts and cultural programs in school settings and throughout the community so that kids of all abilities and their families can participate fully in the arts. AKI is an initiative of the Miami-Dade County Department and is made possible with the support of the Miami-Dade County Department of Cultural Affairs and the Cultural Affairs Council, the Miami-Dade County Mayor and the Board of County Commissioners, and in part through grant funding provided by The Children's Trust.
